

“ At **Two State**, safety is a value that is planned into each job we perform and continuously stressed throughout completion. ”

◀ **QUALITY SERVICE PERFORMED SAFELY**

**Two State** and **Thomson Roofing & Metal Company** continue to serve the Southeast with highly skilled employees that provide exceptional quality workmanship. The safety of everyone on our projects is paramount! We maintain a Drug & Alcohol Free Workplace, a comprehensive written Health & Safety Plan that is ISNetworld compliant, and an approved MSHA training plan. We employ full time, licensed and authorized safety personnel that have the ability to train our employees in all areas of safety including: **OSHA 10 & 30 HR, MSHA** (all types), **First Aid/CPR, Asbestos Removal**, and many other specialized areas. To ensure that each job is completed safely, a Job Safety Analysis is performed before work begins, customized toolbox safety topics are administered weekly, and work site safety audits are performed on a regular basis. Finally, we have a Zero Tolerance Safety Policy to reinforce our commitment to provide the safest environment possible to everyone on every project. At **Two State**, safety IS a value!

*Since inception, Two State has remained focused on quality and excellence.*
